Collaborative Adult Athletic Leagues—2020

S.O.R.R. South of the River Recreators (S.O.R.R.) is a group of Cities offering adult leagues collaboratively in order to increase offerings, decrease leagues being canceled due to low enrollment, and allow teams to play opponents nearer their level of competition. Teams can register with the Apple Valley Parks and Recreation Department for any of the S.O.R.R. leagues.

S.O.R.R. CO-REC ULTIMATE FRISBEE

Ultimate resembles many traditional sports in its athletic requirements; it is unlike most sorts due to its focus on self-officiating and use of a flying disc instead of a ball. Combining the non-step movement and athletic endurance of soccer with the aerial passing skills of football, a game of ultimate is played by two teams with a flying disc on a field with end zones, similar to football. The object of the game is to score by catching a pass in the opponent's end zone. Ultimate is a transition game in which players move quickly from offense to defense on turnovers. This is a co-rec program with a minimum of four females per team. Roster limit is 15 players (7 players at a time). League is certified by USA Ultimate. Contact avathletics@cityofapplevalley.org or call 952-953-2316 for details. Registration by June 5.
